HOT SPOT

Hot number

You mean it wasn't named after Larry Bird's number...? You've been coolin' at the upstairs bar, nibbling on a little of this and a little of that from the "symmetrical" menu of French and Italian delights at the new **33** restaurant and lounge. Naturally, you've also been sipping martinis, and you decide to descend the stairs to check out the downstairs lounge. Whoa! Without giving too much away, we urge you to check out this cooler-than-the-other-side-of-the-pillow hipster haunt — and its stairway from heaven — located adjacent to (and sharing a patio with) Bomboa. Owners **Igor Blatnik** and **Greg Den Herder** have set up shop at the site that was supposed to house Zita — but that's another story. With **Charles Draghi** shaking pans in the kitchen, 33 has been patronized by foodies, the beautiful South End party set, and upscale European and Middle Eastern crowds. That's at 33 Stanhope Street, natch. —SK
